

Student Assistance Team or Comparable Problem Solving Team

Pursuant to the Rules of the Nebraska Department of Education, the school district uses a general education student assistance team (“SAT”) or a comparable problem solving team (“Team”). The SAT or Team will use and document problem-solving and intervention strategies to assist teachers in the provision of general education and to meet the needs of students who may be struggling in the general curriculum or who are struggling to comply with the student code of conduct or to meet acceptable behavioral and social norms.

If the SAT or Team feels that all viable alternatives have been explored, a referral for multidisciplinary evaluation shall be completed. The referral shall comply with the requirements of the Rules of the Nebraska Department of Education.

All teaching staff must:

- 1) Support the SAT or Team process by appropriately referring students who may benefit from the SAT or Team process; and
- 2) Faithfully and consistently implementing the intervention strategies recommended by the SAT or Team.

The failure to support the SAT or Team process is a serious matter and may constitute just cause for terminating or canceling a teacher’s employment.
